GCC-PRES Memo No. 2020-09

To: GCC Parents & Students
 From: Dr. Christine Tan, President
 Subject: UPDATED DATES for SY 2020-2021
 Date: August 17, 2020

Greetings from GCC! We appreciate the positive feedback from our free online Summer classes offered, in order to strengthen the academic foundations of our students.

After much consideration of current situational uncertainties, placing priority on the safety and welfare of the Gracean community, and other factors, the administration deems it best to POSTPONE the OPENING OF GCC CLASSES to **September 15, 2020**. Please note that, as we postpone class opening, we are also extending the deadline of enrollment to August 31, 2020.

Please be informed, however, that the adjustment in the opening of classes will not mean idle time for our students and parents. In fact, from August 26 to September 4, we have prepared additional (optional) seminars for our parents and students which are quality, online and free. Details to be announced.

Following is the schedule of school activities we have lined up for you.
